DATE: April 12, 2003

SUBJECT: **Accessible Entrance**

It is the policy of these jurisdictions to require the primary entrance to new construction or alterations to existing construction to be the accessible entrance. The entry shall be accessed directly from a sidewalk, as defined by the City Municipal Code Section 21.04.0101(g) "Sidewalks".

Alternate methods of entry in qualified Historic Buildings will be reviewed on a case by case basis by the Chief Building Officials in conjunction with the Historic Preservation Officer.
