Re: June 2011 Consumption Tax Report for the City of Aspen

Attached is the City of Aspen's monthly report for consumption based tax collections. This report includes year to date analysis of the City's sales tax and lodging tax collections through June 2011, Aspen's portion of Pitkin County's 3.6% sales tax collections through May 2011 and real estate transfer tax (RETT) collections through July 2011.

The current report suggests Aspen's economy continues to improve. Sales Tax Collections through June 2011 show that we are up 4% from 2010 while Retail Sales by Industry are up 4%.

Lodging tax collections now being shown on two pages since the Tourist Promotion tax rate is now 1.5% of taxable lodging revenues but the Transportation rate remains at 0.5%. Through June 2011, the Tourist Promotion Lodging tax is up 207% compared to 2010. The Transportation Lodging tax is up 2% compared to 2010.

Aspen's portion of Pitkin County's sales tax through May 2011 (one month behind city collection statistics because they are collected by the State of Colorado) is up 7% from 2010.

The year to date Housing real estate transfer tax collections through July 2011 are up 20% from 2010. The year to date Wheeler real estate transfer tax collections through July 2011 are up 21% compared to 2010. Wide fluctuations in the real estate transfer taxes are the norm.
