ASPEN PARKS RULES

Do not erect any tents or structures in advance of the scheduled days on the permit. You will be responsible for any damage to the irrigation system and turf. You must call the Parks Department if you are putting stakes in the ground for tents or other structures. (Call 970.429.2161).

Absolutely no driving in the park is permitted due to potential turf and irrigation damage.

Remove ALL event trash from the park. Do not use Park trash cans for event trash! (Also, no celebratory confetti please!)

No food, drink, ice or charcoal can be left behind or dumped in the Park. This is especially important given the presence of bears and other wildlife!
