

REQUEST FOR REACTIVATION OF EXPIRED OWTS CONSTRUCTION PERMIT

0405 Castle Creek Road, Suite 10 · Aspen, CO · 81611
Phone: 970.920.5070 Fax: 970.920.5077

This form should be used for requesting reactivation of an expired ISDS or OWTS Construction Permit. If there have been any significant changes or deviations from the information submitted and accepted by this Department with regard to the expired permit, a new application and fee will be required. Permits issued under prior regulations may only be reactivated under limited circumstances. When a new application is required, the system requirements must conform to the current OWTS Regulation which can be found at <http://www.aspenpitkin.com/pdfs/depts/12/owtsreq.pdf>.

Permit Number for Which Reactivation is Requested:

Fax Number: Email Address:

PLEASE READ BEFORE SIGNING:
I certify that the above information is complete and accurate. I acknowledge that EH/NR may revoke any permit I am issued if my application is found to contain any inaccurate, false, or misleading information. I understand that no construction may be undertaken on the ISDS/OWTS until the ISDS/OWTS Construction Permit is reactivated or a new permit is issued.
