Having carefully read the requirements, I (Applicant) hereby agree to the terms and conditions described within. This form is a permit only when validated by County staff. Work started without a permit will be subject to Pitkin County enforcement action and charged double permit fees.

16. Signature of Applicant:	16a. Date:
-----------------------------	------------

17. Signature of Property Owner(s):	17a. Date:
-------------------------------------	------------

**FOR STAFF USE ONLY (DO NOT WRITE BELOW THIS LINE):**

18. Additional Terms and Conditions of Permit (check all that apply):

\_\_\_\_\_ At the time of issuance of this permit you are required to post \$ \_\_\_\_\_ as financial security to ensure successful completion of your revegetation plan. These monies will be held for two growing seasons from the date of completion of the project and will only be released at that time if a site visit by Pitkin County Zoning confirms that successful revegetation has been accomplished. Applicant is obligated to contact Pitkin County Zoning (970-429-2799) to schedule the required two-year site visit. The monies will be forfeited if successful revegetation is not confirmed after two growing seasons, or if Applicant fails to timely schedule the required site visit.

\_\_\_\_\_ Documentation of State Engineer approval is required to be submitted prior to issuance of this permit (in connection with construction/repair/alteration of a jurisdictional size dam).

\_\_\_\_\_ Documentation of filing of a Notice of Intent to Construct a Non-Jurisdictional Water Impoundment Structure is required to be submitted prior to issuance of this permit (in connection with a non-jurisdictional size dam).

\_\_\_\_\_ Documentation of decreed water rights is required.

\_\_\_\_\_ Other:
