

2011 Pitkin County Resident Waste Allowance

This year, each household will receive a \$100.00 credit to be used on any incoming material. This waste allowance replaces all previous programs and credits that were given, such as the Punch Pass, hazardous waste, electronics and grass and leaves.

In order to streamline using the credit you will not be issued an actual card this year. Once we have you set up in the system you will simply need to show your ID when you come in and we will run a tally on your account! We can also let you know how much credit you have left.

Christmas trees from households will continue to be free December through February.

As with previous years, 2 forms of ID will be needed to show that you are a Pitkin County resident. Please see the form below for acceptable forms.

Please fill out the information below, including all members of your household who are authorized to use the credit.

Name of Resident: _____

Physical Address: _____

Mailing Address: _____

Other family members or roommates authorized to use credit:

Picture ID

AND one of the following:

Car registration

Utility bill

Property tax bill
