

Waste Hauler License Application
Pitkin County, Colorado
2011

The following information is required to receive licensure to haul solid waste in Pitkin County. Submit the following application, fees, and supporting documents to: Pitkin County Resource Recovery, Attention: Rich Ludwig, 76 Service Center Road, Aspen CO 81611.

I. Company General Contact Information:

Name: _____ Phone: _____

Mailing Address: _____

Physical Address: _____

II. Local Contact Person:

Name: _____ Phone: _____

Email: _____

III. Equipment (enclose a list):

1. A list of equipment used for hauling waste, including a license plate and US DOT numbers of each vehicle.
2. Proof of proper containment techniques for hauling waste to prevent leakage, spills, or blowing waste (pictures, specifications OR description).

IV. Financial Responsibility

Attach proof of insurance to the application. We have included the minimal coverage of insurance.

V. Services

Please include a complete list of services available to your customers and the fees applied to them.

VI. Fees

The following fees need to be submitted with your application:

\$200 per company

\$50 per vehicle

If a new vehicle is put into operation during the current year, fees and necessary documentation need to be sent to Pitkin County for the year it is put into service. Make all check out to Pitkin County treasurer.

VII. Waste Disposition Table

Please complete the attached table, in tons, indicating the disposition of waste and recyclables which were originally collected anywhere in Pitkin County during the last calendar year.

VIII. Wildlife Measures

Licensed Waste Haulers in Pitkin County must provide service in accordance with Pitkin County Code 6.44 Wildlife Protection.

I declare that to the best of my knowledge and belief, this application is true, correct, and complete.

Your Signature: _____ Date: _____
