ARTICLE IV – CAUCUSES

Added 11/3/98

4.0 Preamble

The word “caucus” may derive from an Algonquin Indian term describing their advisory form of representative democracy. In the Pitkin County experience, the word connotes representative democracy at the most local level where policies are formulated and recommended by the people whom they most affect. Once formulated at the local caucus level, these policies provide elected and appointed county officials with recommendations to enact just laws and policies.

4.1 Establishment of Caucuses: Initial Meeting

- 4.1.1 A caucus may be established by any qualified elector who calls a meeting at a convenient time and place within the proposed caucus area. An information campaign shall be conducted to ensure that all qualified electors and non-resident real property owners in the proposed caucus area know of the date, time, place and purpose of the meeting.
- 4.1.2 At the initial meeting it shall be decided by majority vote of the qualified electors (and non-resident real property owners) in attendance whether a caucus should be formed.

In the event the Board fails to adopt said proposed resolution or ordinance without any change in substance, the proposed resolution or ordinance shall be submitted to the electors at a County election for their acceptance or rejection.

Amended 11/7/78
Amended 8/11/92
Amended 8/9/94

7.1.2 Referendum: The electors of the County shall have the power to require reconsideration by the Board of any resolution or ordinance and, if the Board fails to repeal a resolution or ordinance so considered, to approve or reject it at a County election, in accordance with the provisions of this article of this Charter; provided that such power shall not extend to land use applications, the annual operating budget, annual budget appropriation, levy of taxes, calling a special election, ordering improvements initiated by petition and to be paid for by special assessments, incurrence of indebtedness or borrowing approved by the electorate, or resolution or ordinance to meet the contractual obligations of the County.

7.2 Initiative and Referendum Procedure

Amended 11/4/97

7.2.1 An initiative or referendum petition must be signed by registered electors of the County in number equal to at least ten percent (10%) of the total number of registered voters at the last general County election. In the case of an initiative petition, all signatures on said petition shall be obtained within forty-five (45) days prior to the date of initial filing of the petition with the Clerk and Recorder. A referendum petition shall be void unless filed initially with the Clerk and Recorder within forty-five (45) days after the effective date of the resolution to which such petition refers. Any petitions shall be addressed to the Board and may be an aggregate of two (2) or more petition papers identical as to content and simultaneously filed by one (1) person. The Clerk and Recorder shall provide forms for such petitions. For every petition filed there shall be three (3) petitioner representatives named who are registered electors.

7.2.2 An initiative petition shall set forth, in full, the resolution it proposes to initiate and no petition shall propose to initiate more than one resolution. A referendum petition shall identify the resolution, or part thereof, it proposes to be submitted to the voters for approval.

7.2.3 Each signer of a petition shall sign his/her name, and after his/her name,

print his/her name, the date, and a petition address.

- 7.2.4 Each page of a petition shall have attached to it when filed an affidavit executed by the circulator thereof stating that he/she personally circulated the petition, the number of signatures thereon, that all signatures were affixed in his/her presence, that he/she believes them to be the genuine signatures of the persons whose names they purport to be and that each signer had an opportunity before signing to read the full text of the ordinance proposed or sought to be reconsidered.
- 7.2.5 The petition(s) shall be filed with the Clerk and Recorder, who shall, within fifteen (15) days, canvass the signatures thereon. If the petition does not contain a sufficient number of signatures of registered electors, the Clerk and Recorder shall notify forthwith by certified mail all circulators, or the person(s) named in the petition as representing the petitioners. Fifteen (15) days from such notification shall be allowed for the filing of supplemental petition papers. Such supplementary petition shall comply with all requirements for petitions, and within five (5) working days after it is filed, the Clerk and Recorder shall complete a certificate as to the sufficiency of the petition as amended and send a copy of such certificate to the petitioner by certified mail, as in the case of an original petition. If a petition or amended petition is certified sufficient, the Clerk and Recorder shall promptly present the certificate to the Board.
- 7.2.6 If a petition has been certified insufficient and is not amended within fifteen (15) days of notice of insufficiency, or if an amended petition has been certified insufficient by the Clerk and Recorder, any petition circulator or the person(s) named in the petition as representing the petitioners may, within two (2) working days after receiving a certificate of insufficiency, file a request that it be reviewed by the Election Commission. If a petition or amended petition be certified sufficient, any party affected may similarly file within two (2) working days after the certificate has been made a request for review by the Election Commission. The Election Commission shall forthwith review the certificate(s) and approve or disapprove it, and the Election Commission's determination shall then be a final determination as to the sufficiency of the petition.
- 7.2.7 The petition shall be subject to court review. A final determination of insufficiency, even if sustained upon court review, shall not prejudice the filing of a new petition for the same purpose.
- 7.2.8 When a referendum petition is certified sufficient, the resolution sought to be reconsidered shall be suspended from taking effect. Such suspension shall terminate upon reconsideration by the Board, regardless of the result thereof, or thirty (30) days after certification, whichever earlier occurs.

Amended 11/4/97

- 7.2.9 When an initiative or referendum petition has been finally determined sufficient, the Board shall promptly consider the proposed initiative resolution or reconsider the referred resolution by voting its repeal; provided, however, that the Board shall have the power to change the detailed language of any proposed initiative resolution so long as the general character of the measure will not be substantially altered.
- 7.2.10 If the Board fails to adopt the proposed initiative, or fails to repeal the referred resolution, the matter shall be submitted to the voters. If no general, primary, or special County election is to be held within one hundred twenty days (120) after the Board's consideration specified in Section 7.2.9, the Board shall provide for a special election to be held within one hundred twenty (120) days; otherwise, the vote shall be held at the same time as such general, primary, or special election, except that the Board may in its discretion provide for a special election at an earlier date within the prescribed period. Copies of the proposed or referred resolution shall be made available to the public within a reasonable time before the election and also at the polls at the time of the election.
- 7.2.11 The Board on its own motion, shall have the power to submit at a general or special election any proposed resolution or question to a vote of the people.
- 7.2.12 If a majority of the electors voting on a proposed initiative resolution vote in its favor, it shall be considered adopted upon certification of the election results. If conflicting resolutions are approved at the same election, the one receiving the greatest number of affirmative votes shall prevail to the extent of such conflict.
- 7.2.13 If a majority of the electors voting on a referred resolution vote against it, it shall be considered repealed upon certification of the election results.
- 7.2.14 A resolution adopted by the electorate may not be amended or repealed for a period of one (1) year after the date of the election at which it was adopted, and a resolution repealed by the electorate may not be re-enacted for a period of one (1) year after the date of the election at which it was repealed; provided, however, that any resolution may be adopted, amended or repealed at any time by appropriate referendum or initiatory procedure in accordance with the foregoing provisions of this article, or if submitted to the electorate by the Board on its own motion.

7.3 Recall

Any elected officer may be recalled from office at any time after having served at least six (6) months. Once an election on recall has been held, no other election on recall of that same officer may be held for at least one

(1) year. The procedure for recall shall be as follows:

Amended 11/4/97

7.3.1 One or more qualified elector(s) shall file with the Clerk and Recorder an affidavit of not more than two hundred (200) words stating the reasons for requesting the recall. The Clerk and Recorder shall, within two (2) working days after the filing of the affidavit, mail a copy by certified mail or hand deliver a copy to the officer sought to be recalled. That officer may, within five (5) working days of receipt of the affidavit, file with the Clerk and Recorder an affidavit of not more than two hundred (200) words in justification of his/her course in office. After receipt of the statement of justification, if any, but in no event later than ten (10) working days after delivering a copy of the affidavit to the officer, the Clerk and Recorder shall issue a petition for recall.

Amended 11/4/97

7.3.2 The petition shall include the statement of reasons for requesting recall and the officer's statement of justification, if there be such a statement. The petition must thereafter be signed by registered electors numbering at least twenty-five percent (25%) of the total number of votes cast at the last election for all candidates for the position which the officer sought to be recalled occupies.

7.3.3 Each signer of a petition shall sign his/her name, and after his/her name, print his/her name, the date, and a petition address.

7.3.4 The signed recall petition shall be filed with the Clerk and Recorder within sixty (60) days after issuance of the petition. If the petition is filed within the time specified, and if it complies with the requirements of this Charter, the Board shall set a date for a recall election to be held within sixty (60) days, unless a general, primary, or special election will be held within one hundred and twenty (120) days following the filing of the petition, in which event the recall election shall be held at the time of that general, primary, or special election. On each separate page of the petition shall be attached an affidavit by the circulator thereof, stating the number of signers and affirming that each signature is the genuine signature of the person whose name it purports to be, and that it was made in the presence of the affiant and that each signer has stated to the circulator that he/she is a registered elector of the County and has read the petition.

Amended 11/4/97

7.3.5 All petitions shall be deemed and held to be sufficient if they appear to be signed by the requisite number of signers, and such signer shall be deemed and held to be a registered elector, unless a protest in writing under oath shall be filed with the Clerk and Recorder by some qualified elector, within fifteen (15) days after such petition is filed, setting forth specifically the grounds of such protest. In the event of such protest, the Clerk and Recorder shall forthwith mail a copy to the person or persons named in such petition as representing the signers thereof, or if none, to

the circulators, together with a notice fixing a time for a hearing of such protest, which hearing shall be not less than five (5) nor more than ten (10) days after such notice is mailed. All hearings shall be before the Election Commission, and all testimony shall be under oath. Such hearings shall be summary and not subject to delay, and must be concluded within thirty (30) days after such petition is filed, and the results thereof shall be forthwith certified to the person or persons named in the petition as representing the signers thereof, or if none, to the circulators.

7.3.6 The finding as to the sufficiency of any petition may be reviewed forthwith by the Election Commission, upon application of any person affected, but such review shall be had and determined forthwith.

7.3.7 In case the petition is not sufficient, it may within fifteen (15) days thereafter be amended and refiled as an original petition.

Amended 8/9/94

7.3.8 There shall be printed on the official ballot, as to every officer whose recall is to be voted on, the words, "Shall (name of the person against whom recall petition is filed) be recalled from the office of (title of office)?" Regardless of minimum requirements in the state recall statute, the reasons for recall, together with the officer's statement of defense, shall be on the ballot in accordance with State law. The ballot shall provide for a "yes" or "no" vote. The recall election shall take place among the electorate by which the subject County Official was originally elected and is representing.

7.3.9 If a majority of those voting vote in favor of recalling an incumbent, the incumbent shall thereupon be deemed removed and the vacancy shall be filled as provided in this Charter, or by applicable statute.

7.4 Withdrawal of Petitions

Any petition for initiative, referendum, or recall may be withdrawn prior to the setting of an election if a majority of the persons named in the petition as representing the signers thereof, or if none, a majority of the circulators, formally request withdrawal.

- 8.6.1 I. Policy
 - A. In order to ensure the impartiality and integrity of their local government decision makers, the people of Pitkin County intend to prohibit County policy makers from participating in matters in which they have a conflict of interest. This prohibition applies to County policy makers serving their elected or appointed terms and those who have concluded their terms of office.
 - B. County policy makers include County Commissioners, County Manager, Assistant County Manager, Community Development Director, County Attorneys, and Open Space and Trails Director.
 - C. A conflict of interest is a disparity between the private interest and the official responsibilities of an individual in a position of trust in government. This code is intended to prevent conflicts of interest without obstructing fair and speedy resolution of issues that come before the County.

Amended 11/3/98

- 8.6.2 II. Prohibition on Conduct
 - A. No current County policy maker shall vote on or otherwise participate or attempt to influence or communicate directly with any County staff member or other elected or appointed County official on any pending or proposed matter in which he/she has personal, financial, possessory,

ownership or beneficial interest other than the common public interest; or is an employee of, or contractor, to an applicant or beneficiary of an application regardless of whether that interest arises out of the subject application. Policy makers may represent themselves, but not vote or participate on applications related to their personal residence.

- B. No current or former County policy maker shall appear in a representative capacity before the Board of County Commissioners ("BOCC"), the Board of Equalization or the Planning and Zoning Commission for two (2) years following his/her departure from office or employment concerning any application regarding any specific piece of real property which was also the subject of any application process in which that individual participated in during that individual's term of office or employment. No County policy maker shall appear as a representative for any person and/or entity (other than him/her self) before the Board of County Commissioners, the Board of Equalization or the Planning and Zoning Board, or any volunteer board of Pitkin County whose members are appointed by the Board of County Commissioners on any issue for one (1) year following his/her departure from office or County employment. This prohibition shall not apply to current or former policy makers appearing on behalf of another governmental agency.
- C. No County policy maker shall vote or otherwise participate in a decision making process which affects any entity in which he/she has a financial interest or which any member of his/her family has a financial interest. Family is defined as spouse, parent, brother, sister, grandparent, child, grandchild, step-child, step-parent, step-grandparent, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, or any individual who is a part of the County policy maker's immediate household.
- D. Though this provision applies to discussions and actions regarding a specific budget item, it shall not limit a Commissioner's right to vote on the entire County budget.
- E. If an issue arises in which a County policy maker believes he/she may have a conflict of interest, he/she must divulge that potential conflict of interest to the Board of County Commissioners and the County Attorney for an opinion on the validity of the conflict. If determined to be in conflict regarding the issue before him/her, he/she will refrain from participation in discussion or vote on that issue.

4. If the Board of County Commissioners fails to act within fourteen (14) days, the Conflict Committee shall convene.

4. Appeal of the Conflict Committee Action. Any affected party, who contends that the Conflict Committee reached a determination in an action which was inappropriate or incorrect, may appeal the Conflict Committee's determination to the Board of County Commissioners. Any such appeal must be submitted in writing to the Board of County Commissioners within seven (7) days of the Conflict Committee's action. The Board of County Commissioners shall hear the complaint at the next regularly scheduled meeting, or no sooner than seven (7) days after receiving the complaint. The Board of County Commissioners shall review the action of the Conflict Committee including its record of proceedings to determine if the Conflict Committee acted in violation of the law or abused its discretion in reaching its determination. If the Board of County Commissioners so elects, it may open the proceedings and examine witnesses and accept evidence. The members of the Board of County Commissioners shall render their decision in writing within ten (10) days of their meeting. The Board of County Commissioners will either reverse or uphold the decision of the Conflict Committee. Any member of the Board of County Commissioners who is affected by the determination of the Conflict Committee shall not participate in any appeal of the Conflict Committee's action. All decisions of the Board of County Commissioners shall be final.

8.6.4 IV. Effect of Violation

- A. Should any County policy maker vote or otherwise participate in a decision-making process in violation of Section II, the Board of County Commissioner’s action regarding the issue on which a conflict determination is made shall be null and void, unless the Conflict Committee determines based on reasonable evidence that the County policy maker participated in order to contrive a conflict and purposely nullify the action.

An action of the Board of County Commissioners which is determined to be null and void by application of this Code of Conduct, shall be reconsidered by the Board of County Commissioners after the matter is appropriately noticed in compliance with applicable state law, Home Rule Charter and County Code provisions and a new vote taken and recorded based upon the previous record of proceedings before the Board of County Commissioners.

- B. No determination of a conflict shall render any decision of The Board of County Commissioners null and void unless the complaint is raised within thirty (30) days of the action sought to be rendered null and void.
- C. Should a current or former County policy maker appear before the County Commission or Planning and Zoning Commission in violation of this policy, the matter or issue before the County Commission or Planning and Zoning Commission shall be tabled until there is compliance with this policy.
